Jakarta

KOICA Master's Degree Scholarship Programs 2016:
Hankyong National University in Integrated Chemical and Environmental Technology
(December 29th, 2016 – August 13th, 2018) - Revision

Dear Mrs Rika,

I have the pleasure to inform you that Korean Government through Korea International Cooperation Agency (KOICA) would like to offer Master's Degree Scholarship as mentioned above which will be implemented by Hankyong National University from December 29th, 2016 – August 13th, 2018. There are no limited candidates to apply and the final candidates will be selected only 2 (two) persons.

In line with this matter, it would be appreciated if you could notify the related ministries to recommend appropriate candidates on October 14th, 2016 the latest.

Qualification of candidates:

- Employment in government (Ministry of Industry, Ministry of Agricultures, Ministry of Rural Development or related agencies).
- Engineering (CHEM, ME, EE and BT) Bachelor's and/or a higher degree from an accredited institution (CHEM: Chemical Engineering, ME: Mechanical Engineering, EE: Environment Engineering, BT: Biotechnology).
- Sufficient command of spoken and written English to succeed in a graduate-level academic environment and excellent mental and physical health.
- Have no previous similar KOICA training
- Expected to work in a related field for at least one year upon graduation
- Private sector employees are not eligible. However it he/she works in NGO or UN organizations, he/she can apply on the condition that he/she obtains a recommendation from the government ministries which covers the organization.

I have further to inform you that the expenses including tuition fee, roundtrip air ticket, accommodation, meals, living allowance, textbooks and materials, study visit, and overseas travel insurance of the participant incurred during the scholarship period will be borne by KOICA.
